

## **ABOUT US**

NILMP Business Consulting emerged from a network in different segments, basically sailing between Foreign Trade, Tax Management and Business in general (representations, partnerships, prospecting etc), all the documentation assistance and review of several business transactions are made by us.

Over 15 years of experience working with Brasil, China, Italy, United States, Chile, Bolívia, Argentina and United Kingdom.

Working with authorities in China and Brasil to unite more and more these two countries and their business projects.

## **1 - BUDGET YOUR PRODUCTS IN CHINA**

We stock your products in China, contact manufacturers, sellers, resellers and buyers. We do all the process to import or export your products / services. Partnership with Custom brookers, Freight Forwarders, Tradings and Logistics.

## **2 - INTERNATIONAL NETWORK**

With extensive contacts, we are able to prospect and set up operations in an efficient way with safe partners.

## **3 - TAX MANAGEMENT**

High tax burdens, flaws in corporate adaptations in the tax arena, frequent problems. With our expertise we have obtained federal tax reductions and better tax management for each company, we have expert attorneys and accountants partners throughout Brazil.
